

SECRET OF MIRACLE II SOAPS

Miracle II is composed mainly of oxygenated water combined with the minerals potassium, calcium and magnesium.

This combination of elements creates a very small ion. Small ions slip easily through a person's pores and between the atoms of the body. This opens and cleanses the pores, lubricates the muscles, washes toxins out of the body, and in general purifies the body like no other product does.

Miracle II liquid and gel penetrates and lubricates muscles to help break up muscle knots, build muscle size, strength and wash out toxins.

WHAT CAN MIRACLE II SOAPS BE USED FOR?

Personal Hygiene: Soap can be used externally and internally to deal with a wide range of concerns.

Plants and Pets: Try it on your pets and houseplants, to detoxify them.

Cleaning: Miracle II Soap has been used for just about every residential, commercial or industrial application nameable, from glass cleaners to ridding new carpets of their odor, with superior results in every application Most of us, in the past, have underestimated it's utility.

Residential: Everything that needs cleaning and deodorizing inside and outside. Natural control for germs and insects. 1-6 ounces per gallon of water

Recreation: For you that have motor homes, travel trailer or tents. You will declare Miracle II products will take care of everything from cleaning your body to your holding tank.

Chemical Exposure: The Soap is especially effective for eliminating the toxicity from people's bodies that are exposed to pesticides and herbicides.
